

KnowServe Corp. — Human Resources Department

Recruitment Workflow

Purpose

To standardize KnowServe's hiring pipeline and ensure fairness, efficiency, and compliance with DE&I policy HR-201.

Process Overview

1. Requisition Creation – Hiring Manager submits a Job Request Form (HR-301) ≥ 30 days before target start date.
2. Job Posting – HR posts to 3 approved boards (LinkedIn, AllJobs, StackOverflow Careers) within 48 hours.
3. Screening – Initial CV screen by HR within 72 hours; min score ≥ 70 on qualification rubric.
4. Interview – Two-stage process (Technical + Cultural fit). Average cycle time ≤ 15 business days.
5. Offer & Onboarding – Offer letters sent via BambooHR with digital signatures. New hire checklist must be completed within 10 days.

Metrics & Compliance

- Offer acceptance rate ≥ 85. %
- Candidate satisfaction survey ≥ 4.2/5.
- Diversity representation ≥ 40 % of interview slate.

All records are retained for 24 months per Privacy Policy DP-102.

Tools Used

BambooHR (applicant tracking), Google Workspace (interviews), Power BI (recruitment analytics).

Review Cycle

Process evaluated every June and December for efficiency and bias reduction improvements.
